

Mental Health and Substance Abuse Benefits

Help for conditions like, depression, anxiety, and alcohol/drug abuse

Please be advised that the Board of Trustees of the Northeast Carpenters Health Fund authorized the utilization of Magellan/Independence Administrators, to manage the Fund's Behavioral Health and Substance Abuse Benefit, replacing your current MHC benefit, as of April 1, 2020.

Please note that all participants currently eligible for health coverage will be receiving a new Blue Cross Blue Shield insurance card shortly with the contact information for Magellan on the back. This administrative enhancement **DOES NOT** change your benefits in any way.
